

PSG 2012 ABSTRACT TRANSMITTAL FORM

Name:

Which type of Paper are you submitting? (Select one)

Poster

Oral

Either

Is your Paper appropriate for one of the following Special Paper Sessions?

If you are submitting a paper for one of the Special Paper Sessions and you have been in contact with the Session Convener or you believe your paper may be appropriate for their Session, please cc them on your abstract submission.

Tropical Seabird Biology and Conservation: Session Conveners— David Hyrenbach (khyrenba@gmail.com) and Scott Shaffer (Scott.Shaffer@sjsu.edu)

Where Seabirds & Tuna Meet: Biology and Management of Subsurface Predator Facilitated Foraging: Session Convener—Sara Maxwell (sara.maxwell@marine-conservation.org), Lance Morgan (lance.morgan@marine-conservation.org), and Peter Kappes (peter.kappes@oregonstate.edu)

Biology and Conservation of Hawai'i's Endemic Seabirds: Hawaiian Petrel and Newell's Shearwater: Session Conveners— Helen James (JAMESH@si.edu) and Nick Holmes (nick.holmes@islandconservation.org)

Seabirds, Marine Spatial Planning, and Impacts of Renewable Energy Development in the California Current Ecosystem: Session Convener—Jen Zamon (jen.zamon@noaa.gov)

If you are not submitting an abstract for one of the Special Paper Sessions, please list the general discipline for which you believe your abstract is most appropriate:

Breeding biology

Foraging ecology

Conservation

Energetics

Physiology,

Population biology,

Systematics,

Genetics

Conservation biology

Fishery interactions

Restoration ecology

Other (please list)

Are you a student and want your abstract considered for a Student Presentation Award? (select one)

Yes

No

AV Needs: A PowerPoint projector will be provided. And you will load your ppt onto a laptop provided. Do you have any sort of non-standard audio-visual requirements? Please describe.
